

Don` t miss the day (Let`s all vote)

Don` t miss the day, girl
Don` t miss the day, boy
be steady, it`s what we`re talkin` about
be ready, join the voting crowd

Don` t miss the day, son
Don` t miss the day, daughter
for everyone - not only for a few
come on be there, it depends on you

Let`s all vote

Let`s all vote

Let`s all vote today

Don` t miss the day, child
Don` t miss the day, man
for silent people to raise their voice
for the excluded to take their choice

Don` t miss the day, brother
Don` t miss the day, sister
for that`s the basic democratic note
because everyone should have a right to vote

Don` t miss the day,
Don` t miss the day,
for a new time, when we`ll be one
for a new home when all is done

Let`s all vote

Let`s all vote

Let`s all vote today
