# Whoever lives here, belongs here!

**23,768** Freiburg residents over the age of 16 are denied the right to vote in the June 9th municipal election. In Germany, **around 5.3 million** residents are **excluded** from equal voting rights and participation because they don't have a German or EU passport.

By holding a **symbolic local council election** *Freiburg Voting District 100%* calls for the introduction of local **voting rights** and participation on equal terms.

## Vote YES for democracy!

If you are denied the right to vote, come to **our symbolic polling stations** and cast your ballot on June 9th, or cast an absentee ballot beforehand at one of our absentee ballot stations in Freiburg. The same parties/lists are represented in the symbolic election as in the official local elections.

Everyone belongs here. **That's why we don't wait, we vote!**  
Together for the future of democracy.
