

# Let's vote!

On June 9, 2024 elections will be held in Freiburg for the city council's next legislative period. The Freiburg municipal area is home to more than 174,000 citizens who, coming election Sunday, will be of legal voting age (16+) and will have been officially registered in Freiburg for more than three months. 13,600 EU nationals will be eligible to vote as well. **But** 23,768 citizens of Freiburg will not be allowed to vote because they do not have German or EU citizenship and therefore will not be eligible to vote. In addition to the official Freiburg voting district, Freiburg residents with foreign citizenship will be able to vote in the symbolic Freiburg Voting District 100%.

Whoever lives in Freiburg is directly affected by public transportation prices, available day care, or decisions concerning municipal housing - independent of being born in Freiburg, Hamburg, Istanbul or Duala. All legal-age residents of a city should be equally entitled to elect their communal parliament **independent of birthplace** or passport. The **Freiburg Council of Foreigners**, the majority of the **Freiburg City Council** and the **City's Mayor** advocate this view. A two-thirds majority vote in the upper house of the federal parliament, however, is necessary for the enactment of a law allowing universal communal suffrage for foreigners.

The right to participate in universal, free, and secret elections is a basic principle of a democratic state system. Foreign citizen participation in elections promotes integration and expresses social and political equality. This is already common practice in 14 of 27 EU countries.

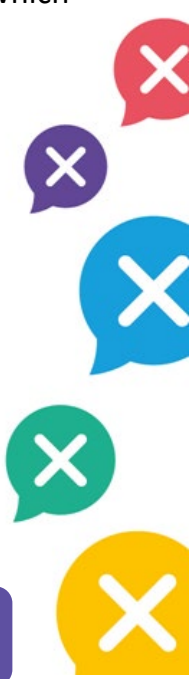

On June 9, we invite you to combine your Sunday walk with a stroll to the polls or come earlier (see back side) - to the **100% polling stations**. On the ballot you may cast your symbolic vote for the parties and representatives of the Freiburg City Council. Voting hours are from 10:00 a.m. to 5:00 p.m.

German and EU citizens are invited to vote on a decision by the EU Parliament (2003) which would *"grant foreigners voting rights in communal and EU parliamentary elections."*

**For communal voting rights for foreigners,  
for equal participation in Germany!**

Voting District 100% is organized and administered by the Freiburger Wahlkreis 100% e.V.  
The Freiburg Council of Foreigners supports the initiative and calls upon foreign citizens to participate in this symbolic election.
