

EUROPEAN CITIES DECLARATION

- OUR CITIES, OUR VOTES

The European Cities/ Mayors Declaration « our cities, our votes » initiated by the European network VRAR, has already been signed by several cities/ mayors in France, Germany, Italy and Switzerland.

Cities are the first destination of immigration, the first and most direct place of democracy. More democracy and political participation of immigrants strengthens social cohesion, city identity and our democracies.

Signatures are ongoing collected, first signatories are:
